Movie Night at the Rudder Club: Food, Fun and Friends

Friday, 18 August 2017

5 - 9 pm

PRESENTING

USS Indianapolis: MEN OF COURAGE

The harrowing true story of the crew of the USS Indianapolis, who were stranded in the Philippine Sea for five days after delivering the atomic weapons that would eventually end WWII.

As they awaited rescue, they endured extreme thirst, hunger, and relentless shark attacks.

Burgers on the grill at 6 pm

Movie starts at 7 pm

Burger and Drink \$5

Bring your friends: everyone is welcome!

Dear Friends,

This Friday night we will show the movie USS Indianapolis: Men of Courage, starring Nicolas Cage, which is based on a true story of survival at sea. The ship USS Indianapolis carried the atomic bombs that helped end WWII. She was sunk on the return voyage and her crew spent 5 days floating in the Philippine Sea.

We will have our regular Burger and Drink special for \$5, with the burgers starting around 6 pm and the movie starting around 7 pm.

Chili and Hot Dogs will be available at the bar on both Saturday and Sunday. As an extra treat on Sunday, Vicky will have pulled pork sandwiches available for \$4 apiece.

On Sunday afternoon we will splash some boats, so come on down and tune up your sailing skills.

Also on Sunday afternoon, we will be dancing again, starting at 2 pm. Dancing costs \$10 per person, which pays for a live band and an afternoon of easy listening and easy dancing. So, if you are all thumbs and cannot sail, then you can try out your two left feet on the dance floor.

See you this weekend,

Ben and Gianina

The Jacksonville Acoustic Meetup Group

What a great day!

Thank you Rudder Club for your hospitality, use of the club house and over-all great natured club members. The Rudder Club is a special kind of place.

Speaking for the *The Jacksonville Acoustic Meetup Group*, we had a blast. Where else can 20 guitar pickers & singers get together on a beautiful Saturday afternoon, play music, look out on gorgeous sailboats and watch the river flow?

Great boats, great atmosphere and great people; we are a lucky group.

Hope you liked the music.

Thank you again for the use of the club. We hope to be invited back again soon.

Labor Day Regatta

Labor Day in the United States is a public holiday celebrated on the first Monday in September. It honors the American labor movement and the contributions that workers have made to the strength, prosperity, laws and well-being of the country.

It is the Monday of the long weekend known as Labor Day Weekend and it is considered the unofficial end of summer in the United States. The holiday is also a

federal holiday.

Ahoy to the Region!

Lots of things happening and some dates to make sure you enter into your "short term" calendars:

1. US Sailing Adaptive Sailing Instructor training in Collier County/Naples, in October. See link below...

This is an opportunity to acquire this important training in our region! Great instructors!

<http://www.ussailing.org/education/adaptive-sailing/workshop/>

2. Florida Yacht Club offering a one-day regatta to get everyone back in gear, Sept 30 (after Labor Day in Sarasota!) - cheap, cheap, cheap: \$15 for single-hand! This is geared to beginners and serves as a great tune-up for both summer learners and school year returners! Jodi Weinbecker does a fantastic job in Jax....please support these one-day regattas!

3. August 31 is cut-off for reduced registration for The Forum, Feb 1-3, St. Pete Beach. The Tradewinds Resort is a beautiful property and the Forum is an excellent mid-season networking/learning opportunity. Florida should be "representing" at this event!

4. Reminder to ALL organizations to get your regatta and event dates into us ASAP. We still have lots of "holes" in the FYSA calendar and I know there are a slew of regattas planned out there. Jabbo will get the calendar to us....we just need to supply him with dates.

Looking to the horizon....

Florida Sailing Association is looking for a few good people to volunteer their time to help move the association forward. We're still distributing the Youth Regatta Grant Reimbursements to member clubs/organizations, and we need a few more volunteers to round out our slate for the coming year/election. Rosa Lamela , Mark Sorensen

Youth Sailing in the Keys; Rich White in Clearwater and Jodi at FYC are on the Nominating Committee. If you're interested in volunteering with other leaders who are passionate about sailing, please help! Let one of them know if you're interested. We need YOU. Watch for announcement of annual meeting -- we want to see you!

Remember that July 1, 2017, FL legislature passed the law that allows 501c3 organizations who are involved with boating - who have boat trailers - to renew their trailer tags AT NO COST!! Email me if you need the reminder about the legislation/wording.

John Grannis is looking for some used Optis to buy and Tom Ullery has a nice McLaughlin Opti to sell. I am not Craig's List, but let me know if anyone is interested in buying or selling - will connect you.

Be sure to review the concussion policy and sunscreen application guidelines that may apply to your work with youth.

Have fun with the solar eclipse...guard your eyes!

Let's get registered and dates on calendars....have a great rest of the month!

RUDDER CLUB PARKING DIAGRAM FOR PARTIES AND OTHER EVENTS

Do not park on the septic mound, on the lawn of the neighbor across the street (green house), or where you will block access to any boat. Allowable parking areas are shown in YELLOW. Keep the ramp and gravel driveway clear for boat movement.

Dear Social Dancing Friends,

Attached below is what is being sent out to the Mandarin Dance Association dancer email list and also to studio owners all over NE Florida area. A special note of apology is also be included from Rick Thoele aka Rick Vance who has been the owner of the

Universal Studio in Jacksonville for many years, and the founder of the Mini Match competitions from #1 to 100 and he also started ballroom teaching in 1956. He was ill last Sunday and here is what he emailed us:

"Sorry that I got sick over the weekend hopefully, we can arrange for me to do it on this Sunday, August 20th, 2017. I usually only get sick about once every five or six years unfortunately it was just this past weekend."

As all know by now, the Knights of Columbus hall in downtown San Marco area will have the Big Band of Burk Shields and his Fascinating Rhythm orchestra on Sunday, August 20th, 2017. So, we decided to have the Founder of the Mandarin Dance Association, Skip Laun to DJ for us with his great collection of Country Music that is very good to dance to along with the DVD HD Mp4 videos of the Mandarin Dance Association TV show entitled, "Big Band Dancing at the MEC" - MEC means, Mandarin Entertainment Center where the Mandarin Dance Association was founded in 1987.

These vintage TV show video footage will be shown on the Big Screen with some of the best ballroom dance sets ever heard or danced to in many years here in NE Florida. The likes of the Don Glasser & Lois Costello orchestra (house band of NYC Roseland Ballroom), Guy Lombardo and the Royal Canadian orchestra, Myron Floren & his orchestra (Star of the Lawrence Show) & the Russ Morgan Orchestra plus the Little Big Band of Dale Burk from Daytona Beach, Florida just to name a few of the great bands and orchestras who played for the Mandarin Dance Association dancers and were filmed for cable TV.

We invite you to The Rudder Club this coming Sunday from 2 to 6 p.m. (please note the time change of one hour earlier and from now on) Also, no membership is required, for now, everyone who dances pays only \$10 per person and The Rudder Club cash bar opens at 1 p.m. with a delicious and inexpensive lunch special and regular menu.

Come Aboard this Sunday with us!
