

Hurricane Irma Update

We were very lucky at MYC with as little damage as we had. That being said, we still need our members support! Our landscaping needs some help getting back in shape, raking, picking up debris, trimming and more. If you have a little time to help come on by help, it would be very appreciated!

If you have not checked out your boat, on shore or in the water, please get to the club as soon as possible to check for any damage and lines.

J/24 Fleet 87

& 15th		

Space Coast Sailing

This Wednesday, September 20 will be the annual meeting of the SCS Education Foundation, Inc at MYC. A social mixer will start at 6:30 and the meeting will be at 7. It would be very good for as many sailors and their parents as well as coaches to be there. In order to be prepared, we will not hold sailing practice that day. Next Sunday, September 24th, the first of the Fall Treasure Coast Series will be held at Jaycee Park in Ft. Pierce. It is a very nice venue for sailing and watching. There will be BICs, Optis and 420s. Several of our team have sailed regattas before and are planning to sail this one. For those who haven't sailed regattas before, I suggest that they go to watch this one so that they have an idea of how they are run so they are ready for the next one. If a new sailor really wants to sail, we can discuss more between now and Wednesday night but by the end of Wednesday night, our plan for the regatta needs to be in place. The notice of regatta is attached. It is the policy of SCS that all the sailors have parental chaperoning and that the chaperone is responsible for the behavior of all the sailors.

MYC 2017 Seafood Raft Up

The raft up originally scheduled for 8 April has been rescheduled to Saturday 4 November. The date is perfect in terms of the sunset and full moon rise times. All we need to make it even more perfect are boats to sign up. Dinner will include shrimp, seafood dip, potato salad, Cole slaw and a surprise dessert for only \$16. Email sign-ups are preferred but I will take them via phone, pony express or whatever way you prefer. Let me know if you have any questions or comments/suggestions for improving the venue. [Click here for the pdf Seafood Raft Up Flyer.](#)

Sebastian Inlet State Park Concerts Series

Inlet State Park is open on the North side only due to Irma. The North side fishing pier and the South side are closed until further notice. I contacted Friends of Sebastian Inlet to ask about the concert. I have not heard back from them. As soon as these events are rescheduled we will let you know.

Saturday September 30, 2017 ???

20th Street Jazz Band

The 20th Street Jazz Band is a 15 piece band that plays traditional jazz standards, favorite swing and popular music.

Their concerts bring out big smiles and get the dancers up and "cutting the rug."
